This is a follow-up meeting to our discussion this AM on where we are going with the Upper Animas site. I will let Martin H know that we are still formulating the "grand plan". I know that Victor has a conflict at least for part of this time but I am hoping we can meet at this time/day because Richard will be back.

Please let me know if this time works for you - at least partially. The other option is to meet very early - like 8:00 -9:30 AM that morning.

Thank you and thanks for meeting during the lunch hour today.
